Paid for and approved by A Jeffrey Capeci
for Legislative Council

Jeff is a Republican endorsed candidate for the Legislative Council in Newtown's 3rd District. For 12 years, he has resided at 52 Bear Hills Road with his wife, Tanya. They have two Children, Greta and Bradley, both of whom attend Newtown Schools. Jeff loves Newtown and is actively involved in the community. He can be found attending his children's school, sports and other activities. He enjoys teaching his cub scouts about citizenship, American values, the outdoors and leadership. Jeff is dedicated to keeping it "*Nicer in Newtown*".

Jeff currently sits on the Legislative Council and looks forwards to continuing his service to the town. As a fiscal conservative with two children in the school system, he brings a unique perspective to town government. He will continue to work toward balancing the needs of the entire community with its ability and willingness to pay for them.

As a member of the Legislative Council, Jeff has voted to:

- Limit the growth of the budget sent to referendum while maintaining a high level of services to the residents of Newtown
- Supported annual increases to elderly and volunteer tax benefits
- Approve 5 year capital improvement plans that adequately addresses the needs of all town residents while maintaining Newtown's excellent bond rating.
- Acquire open space to preserve our rural character and slow the pace of development.
- As a member of the communications subcommittee, Jeff has made government more accessible to the people by facilitating the airing of budget hearings on Charter Channel 17 and YouTube via *The Newtown Bee* website.

In these tough economic times, Newtown needs experienced leadership. Jeff has the skill set and to make the right choices for Newtown.
